(Saturday menu web posted Saturday morning – if you
Want a copy emailed please let us know)

We have a very “let's dine outside” menu planned this week. It sure appears summer is here!

We have beets, sugar snap peas, carrots and swiss chard from Upcountry Organic Farms this week featured throughout the menu. So exciting!

The Soup is best enjoyed chilled, as the flavors are almost like a pureed Gazpacho.

The Meatloaf is our “nod” to the Memorial Day BBQ feasts that will be going on throughout the county. The Meatloaf will be smoked and basted with a “not sweet” sauce that will complement the baked beans.

Californian wild caught Halibut is in season, as is Rock Cod. We will serve it as a marinated composed salad with sustainably farmed shrimp from “Laughing Bird” fishery in Costa Rica. “Escabeche” preparation is Latin, and it basically means pickled as the fish is first seared, then layered in a baking pan, topped with a very fragrant mixture of roast peppers, spring onions, carrots that are mixed with a sherry-white wine vinaigrette. It marinates overnight and is meant to be served at room temp. (With a lemony aioli on the side.)

Have a wonderful holiday weekend ahead! We will be open Saturday at the annex. Come on by!

(old news “Californio Dinner” on June 10)

Our menu is finalized for the “Californio Dinner” on June 10 hosted by Sutter Creek Provisions. Steve Sando will be presenting a unique variety of his “Rancho Gordo New World Foods” products throughout the menu, wood smoked local Dal Porto spring Lamb is the delicious focal point and some incredible beer pairings by Darin & Casey will enhance each course. Ticket price is inclusive of beverages. Great value! Check it out at <http://californiodinner.eventbrite.com>

We are now offering “extra's” on Thurs. & Friday, which means if you forgot to order, there is an assortment of foods at the annex to check into.
